Honorees

Amazon Fresh

The first Amazon Fresh store opened in August 2020. Since then, we've opened 20 stores across the United States and have worked with Feeding America agencies to donate over 9M meals to the communities we serve. Amazon Fresh offers a seamless online and offline shopping experience, and low prices on a wide assortment of national brands and high-quality produce, meat, seafood, and a range of delicious prepared foods made fresh in store every day. Our LA county stores love working with the LA Regional Foodbank network, and ONEgeneration. We are proud that our contributions have made an impact to their recipients and appreciate their support. Accepting the award on behalf of the Amazon Fresh Store network is Jaime Aust, Program Manager for AFS Donations.
